WHAT IS A TROPHY EVENT ?

- ▶ Leagues have the flexibility during the season to organise event(s) that promote the importance of winning and losing.
- ▶ Leagues cannot publish league tables throughout the season up to U11 but will be able to promote and publicise the winners of the different competitions.
- ▶ This will phase out the one 'season-long competition' for young players and bring in a mixture of learning opportunities.
- ▶ Youth leagues have the ownership to run different approaches to competition to capture the attention of young players in modern way.
- ▶ This allows recognition of winners where appropriate but without the pressure of three points and goal difference on the children every week for 26 weeks
